WMC Bio's: President

Hello, my name is Kristi Mach and I am once again running for the position of President of the Wayne Music Club. I have had the privilege of working with this organization for the past 11 seasons, I have served 5 years as uniform chair and 6 years as president in the past seasons. I did one year holding both positions at the same time. I have taken great pride in keeping our band looking its best! I have spent many hours working alongside my fellow board members running and maintaining the workings of the concession stands over the last 8 years that we have been running them. I have been planning and running senior night for the last 6 years, as well as planning and running the banquet the last 3 years. I have been involved with fundraisers, spirit wear, Halftime USA planning, food drives and other events.

I have lived in Huber Heights for 45 years, and proud to be a Wayne alumni, class of 1990 and also a Wayne Band alumni having marched all 3 years I spent at Wayne. My husband and I even met in the band, and we married in 1991. We have 3 wonderful children that have all been through the ranks of the Wayne Band. My daughter Morgan was a bell player and graduated in 2012, my son Andrew was a tuba player and graduated in 2016 and my youngest son Jeremy is a senior and will be graduating in May.

I have had a great time (and some work, but it's worth it!) being involved with this great group of kids, directors and parents, and hope to continue to give my time to this organization, because I love what we do!

WMC Bio's: Vice President

John Bultman is running for the position of Vice President of the Wayne Music Club this year. This last year has been a great experience for me. From organizing registration and facilitating Band Camp to working in the concession stand I have truly enjoyed having the opportunity to be with this band.

A little about me, I work for The University of Dayton Research Institute as an Additive Manufacturing Design Engineer, I have worked for UDRI for the last 26 years. My wife, Wendy, whom I met in college, and I have lived in Huber Heights for the past 24 years. This is where we have raised our two daughters, Jessica and Cheyanne. I grew up in Rising Sun, Indiana where I graduated from High School, and was a member of their Marching Band (I am a former trumpet player, and no we never really outgrow being a little different). While here in Huber Heights, I was a board member for the Huber Heights Soccer recreation soccer club for eight years. During my time as a soccer board member I also served three years on the city's Park and Recreation board.

In the past five years that Wendy and I have been chasing the Marching Band and Warriorettes around, we have been in the "Pit" doing what needs to be done. During this time, there have been many football games (home and away), festivals, and parades and there have been only six events that I have not been in "The Pit".

I have talked to many of you and you have asked why I am still doing this. My answer is always the same; I am the type of person that is going to volunteer to do something. I really like what this organization does for the kids, so I am glad to volunteer my time to help make this organization what it is. I have come to know many of the great kids and people in this club and I would like to carry on in this organization by continuing to be the Vice President of the Wayne Music Club. I will never ask someone to do anything that I wouldn't, haven't or am not currently doing myself.

WMC Bio's: Secretary

My name is Debbie Burke and I am interested in the position of secretary. I am a two-year veteran Warriorette parent. My oldest will be a junior in the 2019 season. I graduated from Wayne in 1999. I spent two years marching as a trumpet player and then two years as a Warriorette. Those were wonderful memories for me and the Wayne Band holds a special place in my heart.

I have volunteered with the Marching Band and Warriorettes for the last two years. This last season I put in quite a bit of time sizing the rookie Warriorettes and then mending and preparing their uniforms. I helped make headpieces, both home and away. I also sewed up 50 plus pairs of legwarmers for our dancers. My other responsibilities in the community include being lead uniform coordinator for the Future Warrior Girls organization. I look forward to helping the Wayne Band in any capacity I can.

WMC Bio's: Treasurer

I Dave Hunt am running for the position of Treasurer of the Wayne Music Club again this year. I have been Treasurer for the past 3 years.

I have worked for Community Blood Center/Community Tissue Services for the past 24 years. My current position is Assistant Controller. I was born and raised in Huber Heights and graduated from Wayne High School. Me and my wife Becky have three children who have all participated in the band.

I have been a board member for the Huber Heights Youth Basketball Association and also currently serve as Financial Stewardship Chairperson for Sulphur Grove United Methodist Church. I look forward to working with everyone over the next year.

WMC Bio's: Drumbeat Editor

James Burke is running for the Wayne Music Club Board position of Drumbeat Editor this year. I am a Wayne grad and have 5 children in the Huber Heights school system. My oldest daughter is a sophomore and participates in Warriorettes.

I have lived in Huber Heights for 24 years and have a tremendous amount of pride for my city and the school system. I have enjoyed my time as Drumbeat Editor this season and look to continue to work with all the great people that are involved with the Wayne band and Warriorettes for another season. Thank you for considering me for this position and I hope to be a part of this great organization for another year.

WMC Bio's: Uniform Coordinator

My name is Malina Wong, and I am running for the uniform position for the Wayne Music Club for a second year. My daughter is Michelle Wong, she is currently a senior at Wayne and this was her fourth year playing bells for the marching band. My son, James Wong will be a junior next year at Wayne and he plays the mellophone for the marching band.

I have lived in Huber Heights for 30 years and my husband Mike was born and raised here. We both graduated from Wayne. We have raised our kids here, and we are proud to call this town home. For the last 13 years I have worked for an automotive manufacturing company, I currently work third shift as a forklift operator.

I am looking forward to continuing my journey with the Wayne Music Club and working with the dedicated team that makes everything happen behind the scenes. These last two years have been a lot of work: concessions, ordering uniform pieces, uniform fittings and repairs, but definitely worth all the time and effort.

WMC Bio's: Ways and Means

Hello my name is Jennifer Pelsor and I am running for the position of Ways and Means for the Wayne Music Club. I really enjoy my time working the concessions and want to be more involved with the Music Club. With my background in management I feel I could grow this role into producing more revenue streams for the Music Club. This is such a great group of volunteers that make this organization a success, that is why I would like to part of continuing this success.

I have been a resident of Huber Heights since 1973. Actually it was Wayne Township when I first moved here. I am a proud 1984 graduate of Wayne High School. I am also a band alumni as I played in the marching band during my high school years. I can remember as a child the Wayne Band coming down our street and playing Happy Birthday to Mr. Wiggenhorn and saying to my mom I want to do that.

My husband Mike and I have been married for 17 years and love living in our great city. Our daughter Taylor is a Junior this year and plays the flute in the band. We recently became partners in opening up J&B Affordable Tax and Accounting Service DBA Jackson Hewitt Tax service where I have worked for the past 20 years. With my experience in the community I feel I can grow this position into growing some real revenue for our organization.

I hope you will consider me in making a difference when you vote for me for the Ways and Means position.

WMC Bio's: Events Coordinator

Tonya Bertorello: I am running again for the position of Events Coordinator for the Wayne Music Club. My daughter Amber was a Senior at Wayne High School in 2017/2018 and was involved with the Warriorettes in her Sophomore, Junior and Senior years. We have lived in Huber for the past 15 years now and we love it. I work as a Fraud Investigator for Synchrony Financial going on 27 years now. I have been involved with volunteering for many events with the company including the March of Dimes, United Way and many other community/charity events.

My husband Jim and I have been heavily involved with chaperoning every away game, parade, and band festivals for the last five years also helping out at the home games with the snack table, making sure the kids get water, picking up palms, setting up concessions and just caring for the well-being of the kids. We have such a great group of kids that I am proud to know and I look forward to the games every week. I have met some really great people in this organization that make a difference and I want to continue to be involved to help in making that difference. So I hope you will consider me again to continue in being a bigger part in making that difference.

WMC Bio's: Concessions Coordinator

Tara Sturgill, I am running for Concessions Coordinator for Wayne Music Club. I have done this position for two years now and would like to have the opportunity to do it again. I have two in the band this year, Tyler Sturgill a trumpet player who is a junior and Zachary Sturgill who plays the alto sax and is a freshman. My daughter Amber, who just graduated last year, was a Warriorette for four years. I have been married to my husband, Roy, for 21 years. I was born and raised in Huber Heights and graduated from Wayne in 1995. I am a paralegal/office manager for an attorney in Vandalia practicing in mainly Workers' Compensation and have worked for him for over 23 years. Over the years I have gotten a lot of experience from just working the shifts to running the stands, as the Concession Coordinator, and have the time and resources to do the job and I would like the opportunity to do this position again.

WMC Bio's: Equipment Manager

My name is Jim "Jimmy" Bertorello and I am running for Equipment Manager of the Wayne Music Club. My wife Tonya and I have been involved with the Wayne Marching Band and Warriorettes for the past five years. I have been one of the adults behind the band doing the things that helps make this band what they are. I have decided that I would like to contribute to helping this band be all they can be by running for the Executive Board in the capacity of Equipment Manager. In the past five years I have performed many repairs, assembled new equipment and helped with the layout of the new equipment truck storage. I have a very strong understanding of how the band support equipment works and have made repairs to existing equipment and recommended new equipment to the board when needed. My first priority is to keeping these kids safe and looking good. My motto "Marching Band Dad... Yeah, I can fix that." Thanks for your consideration.
